

Bella Vista Radio Club Aug 1, 2019 Minutes

The Bella Vista Radio Club held its August meeting at Highland Christian Church in Bella Vista at 7:00 PM.

Presentation: James Bennett, KA5DVS, from the company QRP Kits & Pacific Antenna. James recently relocated to NW Arkansas from California bringing Pacific Antenna to NW Arkansas. James gave a very good presentation about Antenna Theory. Topics that James covered were: dipole antennas, vertical antennas, loop antennas, and the theory associated with each type and how they work. James also brought along several antenna examples and antenna analyzers.

A club appreciation plaque was presented to James by Vice President Chris Deibler.

Business Meeting: No club business

Misc: Steve Little and Wayne Patton will be working on uploading the past meeting recordings to YouTube in High Definition.
